

## DMJFC V FRANKSTON DOLPHINS

### Round 6 Match Report

We were at home for our 6 game against Frankston Dolphins. It was a day to celebrate with three of our boys playing their 50<sup>th</sup> game. Massive congratulations to Bailey Farrer, Kobe bravo and Connor Morgan. We lost the toss and kicked into a 4 to 5 goal breeze. I asked the boys to defend very hard for the quarter and to run the ball as often as possible. I was very pleased with our 1<sup>st</sup> quarter restricting the opposition to 2 goals. The second quarter we used the wind well and hit the scoreboard. We did blaze away a little bit but overall it was a good quarter of footy.

The 3<sup>rd</sup> quarter was great with the team putting in a very solid defensive effort, again restricting Dolphins to a low score whilst they had the strong breeze behind them. The last quarter opened up a fair bit and we scored very easily. It was great to see our tackling pressure stay high even though we were in front by a fair way throughout the last quarter. Overall a great team performance, well done team.

Huge challenge next week, Mounties away in a top of the table clash. Bring it on!!!
