

# MT ELIZA RED V DMJFC

## Round 3 Match Report

We travelled down to Mt Eliza on a ripping day. The boys were pretty fired up before the game and they were keen to play well. Our aim for the day was to put pressure on Mt Eliza and to reach 12 tackles a quarter. We started well in the 1<sup>st</sup> quarter with Phoenix rucking beautifully it was giving our Mids 1<sup>st</sup> use. Matty B was playing a ripping game and with Diesel, Heat, Kobe and Bai on the wings causing problems for Mt Eliza we were hitting the score board. A stand out play of the day was 1<sup>st</sup> gamer Charlotte winning the ball and handballing to her twin sister Amelie, and Amz slotted her 1<sup>st</sup> goal, great work girls.

Our backline was very solid all game with Connor Harmor and Flynn chopping off many opposition attacks. Nutz played his role down there as well and it was great to see Matt Tilley continue on with some great form. Ryleigh was attacking the ball hard all game along with Dyldog that snagged himself a goal and really through himself into the contest. Big Dukes was providing a target deep forward and Connor Morgan played a very solid game at CHF taking some strong marks along with Jay Z that worked really hard and got back into some great form. Bailey Farrer worked into the game nicely across half forward and Adam attacked the ball with some ferocity which was good to see. Our 2 young guns of the team performed very well, H'Man played a significant role in the game with some gutsy attacks on the ball and Will gave us some real run and carry from the back half which is great to see. Our tackle count actually exceeded our KPI's which is awesome so the team have set themselves a new standard so well done and keep up the good work team

Mount Eliza Red

5.4-34

FINAL

Devon Meadows Black

8.8-56
