

DMJFC v EDI ASPENDALE

Round 6

Kicking with a very strong wind advantage we began the game well with direct long kicking into our forward line. Unfortunately our dominance wasn't reflected on the scoreboard as we only took a 2 point margin into the first change. Our defensive effort in keeping Edithvale scoreless was terrific & the energy levels & enthusiasm was great.

After quarter time kicking into the wind we failed to repeat the first quarter effort & Edithvale got right on top using the wind to open up a commanding lead. Again kicking with the wind in the 3rd quarter we again failed to capitalise on any advantage we had & went in at 3 quarter time with huge mountain to climb to get back into the game. We fought out the last quarter but were never really in the hunt after quarter time.

Some great individual efforts by Phoebe in defence, Keenan in the ruck & Brandon, Jett & Lochie on ball were the highlights for the day but a better effort from everyone across the board & not just that of a few individuals is required going forward if we are to improve as a team & get the results we all want. So we need to get back to basics, train hard, learn from our mistakes & work on working as a team so we can continue to improve.

GO PANTHERS!

Cheers Brendan & Justin
