

# PINES V DMJFC

## Round 4

We ventured down to sunny pines.....HARDLY!  
It was blowing an absolute gale. They only had 8 players turn up, so a couple of u/9s played up and one of our players played for them to make up numbers.

We lost the toss and the pines went against the gale force winds. The boys did well considering the conditions and played really well considering how bad the weather was, moving the ball and kicking a couple of goals. They boys finished well for the day they're getting fitter and there skills are improving as the weeks go by.

This weeks a BYE and I'm away for the next game with my wife in Bali. I look forward to hearing how the boys are going and I'll be back for the game against Carrum Patterson Lakes.

To all the meadows mums HAPPY MOTHERS DAY!

**Thanks PIP**
